

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. 56 VICTORIA.

CHAP. 13.

An Act respecting Government Civil Service Insurance.

[Assented to 1st April, 1898.]

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

1. This Act may be cited as *The Civil Service Insurance Act*. Short title.
2. In this Act, unless the context otherwise requires, the expression "Minister" means the Minister of Finance and Receiver-General. defined.
3. The Minister may contract with any person to whom *The Civil Service Superannuation Act* applies, or who may be hereafter appointed to a permanent position in any branch of the Public Service of Canada, for the payment of a certain sum of money to be made upon the death of such person. Insurance contracts authorized.
2. Any such contract is hereinafter called the "insurance contract"; the person so contracting with the Minister is hereinafter called the "insured"; and the amount so contracted to be paid is hereinafter called "insurance money." Interpretation.
4. When the insured is a married man or a widower with children, the insurance contract shall be for the benefit of his wife, or of his wife and children, or of his wife and some one or more of his children, or of his children only, or of some one or more of them; and when the insurance contract is effected for the benefit of more than one, the insured may apportion the insurance money among them as he deems proper. Apportioning of insurance in case of married man or widower with children.

Apportionment in case of unmarried man.

5. When the insured is an unmarried man, the insurance contract shall be for the benefit of his future wife, or of his future wife and children, and the insured may apportion the insurance money among them in such manner as he sees fit; but if, at the maturity of the contract, he is still unmarried, or is a widower without children, the insurance money shall fall into and become part of his estate.

Form of apportionment.

6. Any apportionment under the next two preceding sections may be made in the insurance contract, or by a declaration endorsed thereon or annexed thereto and signed by the insured.

"Children" defined.

7. When it is stated in the insurance contract, or in a declaration endorsed thereon or attached thereto, that the insurance contract is for the benefit of the wife and children generally, or of the children generally, of the insured, without specifying their names, then the word "children" shall mean all the children of the insured living at the time of his death whether by the same wife or by different wives.

Share of person dying before the insured.

8. Where an apportionment has been made as hereinbefore provided and one or more of the persons in whose favour the apportionment has been made die in the lifetime of the insured, the insured may, by an instrument in writing endorsed on or attached to the insurance contract, declare that the shares formerly apportioned to the persons so dying shall be for the benefit of the wife and children of the insured, or of one or more of them, as he sees fit; and in default of such declaration, the shares of the persons so dying shall be for the benefit of the survivor, or of the survivors of such persons in equal shares if more than one; and if all the persons so entitled die in the lifetime of the insured, the insurance money shall fall into and become part of the estate of the insured.

If there is no apportionment.

9. When no apportionment is made of the insurance money as hereinbefore provided, all persons interested shall be held to share equally therein.

Minister may decline to contract.

10. The Minister may decline to enter into an insurance contract in any case where there are, in his opinion, sufficient grounds for his declining to do so.

Tables to be prepared.

11. The Minister shall cause tables to be constructed fixing the premiums to be paid by the insured to the Minister as the consideration for such insurance contracts, and also all other tables necessary for the carrying out of the provisions of this Act.

Basis of tables

2. All such tables shall be based on the H. M. Mortality Table of the Institute of Actuaries of Great Britain, and on

SESSIONAL PAPER No. 30

(g.) For any other purpose for which it is deemed expedient to make regulations in order to carry this Act into effect.

15. In the event of any person to whom *The Civil Service Superannuation Act** now applies taking advantage of the provisions of this Act, a deduction at the rate of three per cent per annum shall be made from the salary of such person towards making good the superannuation allowance provided for by the said Act, such deduction to be instead of the deduction now payable under section six of the said Act.

Additional
payment if
insured now
